EDITOR'S NOTE

You should have received a “flyer” with this magazine asking for your thoughts on its future. Please take time to respond either by completing the form and posting it in the letter box at the church (just inside the gate on the wall on the right), texting or emailing.—we need to hear from you.

November 5 is traditionally Bonfire Night, when we celebrate the foiling of Guy Fawkes' attempt to blow up the King and the Houses of Parliament. In 1605, he was found with a large amount of gunpowder, after hatching a detailed plot to kill the monarch. On the very night that the Gunpowder Plot was foiled, bonfires were set alight to celebrate the safety of the King. Since then, November 5th has become known as Bonfire Night. The event is commemorated every year with fireworks and burning effigies of Guy Fawkes on a bonfire.

Have a safe, enjoyable bonfire night.

WE NEED YOUR HELP

We would love to hear from you with information, ideas or anything you may feel relevant to the magazine and our village.

Maybe a photo of our lovely village, or something you would like to share, or write us a letter.

Without your contributions there would not be a magazine, so we look forward to hearing from you.

Please forward to editorparishmag@mail.com

THANK YOU

**“Greater love has no one than this,
that someone lay down his life for his friends.”**

John 15:3

During the first two Sundays in November our local churches and civic parishes invite you to share in services and acts of remembrance.

On 3rd November at 4pm in Laddingford Church there is the annual benefice memorial service. This is traditionally held on the Sunday closest to All Saints Day and All Souls Day. On All Saints Day (Nov 1st), we commemorate those historic figures whose extraordinary example in life reflected God’s grace and power at work. Saints are often people who faced and overcame great adversity. Our celebrations around All Souls Day (Nov 2nd) focus more on those saints we have known personally. The Church of England describes a parish memorial service as: “a chance to remember with thanksgiving before God those whom we have known more directly: those who gave us life, or who nurtured us in faith.” You are warmly invited to join us in church for a quiet and reflective service where the people you have loved can be remembered. There will be times of prayer, music, silence and the opportunity to light candles.

Remembrance Sunday on 10th November will have both church and civic aspects to it. A remembrance church service offers us a chance to honour all those who have fought for a greater good. This is an opportunity to explore our corporate and individual memories of the fallen and to consider prayerfully issues of war, peace and sacrifice.

In our acts of remembrance, I believe that we should respectfully remember both the fallen and those who loved them. Behind every person listed on our war memorials lie many more who are unnamed. Ordinary men, women and children whose lives were blighted by war long after the guns fell silent. In my own family, I think of my infant grandmother Dorothea, who two weeks before the end of the Great War, lost her father to pneumonia contracted in the trenches. She grieved for him for the rest of her 96 years. I think of my Dad born early in 1939, who until he was six, only knew his father George as a man in an Essex Regiment uniform in a photograph; and my Mum born in south London in the early 1940s, who lives with traumatic memories of searchlights, air raid sirens and bombings.

As Christians we are called to both acknowledge the awfulness of conflict and the need to stand up for what is right. Jesus Christ came as both King of Kings and Lamb of God; powerful and humble in equal measure. In Romans 5:8 it is written:

“God shows his love for us in that while we were still sinners, Christ died for us.”

An important part of our Christian faith is to remember the saints who have lived before us and strived for a better world. And central to that faith, is remembering in prayer, in worship and in how we pattern our lives the sacrifice made for us by Jesus on The Cross. The ultimate act of self-giving, offered freely in love for all.

Yours in Christ.

SCHOOL REPORT

Autumn has certainly arrived in Collier Street. On Monday 7th October, Bramley Class went on an autumn walk to capture evidence of the new season as part of their photography work. Children took inspiration from the Autumn walk to write list poems.

Autumn leaves twirl in the breeze,
Autumn leaves rustle under my boots,
Autumn leaves imprison harmless conkers,
Autumn leaves are amber, golden and brown,
Autumn leaves flutter to the ground.

William (Year 4)

Autumn leaves glide through the wind,
Autumn leaves crunch under my shoes,
Autumn leaves flutter through the harvest trees,
Autumn leaves change colour as they whirl from the tree,
Autumn leaves are amber, red, and auburn.

Sophia (Year 3)

Autumn leaves dance like ballerinas,
Autumn leaves flutter in the breeze,
Autumn leaves take their last breath,
Autumn leaves form a colourful carpet,
Autumn leaves fly with the wind.

Woodpeckers- 'stump removal'

On Saturday October 5th the Woodpeckers made good use of the dry and mild weather to start raking up the first of the autumn leaves, twigs and conkers and acorns in the Churchyard. We also removed tree branches that had been chopped from a tree that was overhanging the Church roof.

It was great to welcome Derick as another new member of the group and we hope he will become a regular member.

Once again a lot of effort went in to the removal of a very old tree stump that dominated the grass area just inside the front gate. Dave and David used the axe to chop away as much of the rotten wood as they could. The whole area has since been cleared by David who came back to finish the task and scatter grass seed before rigging up some strings and old CDs to try and keep the birds away.

Good use was made of an additional bench by the front wall of the church when we stopped for the tea/coffee break (with Pam's lovely cakes). The wooden bench was donated by Chris Dicker and we are very grateful; it will be well used in the future by many of those who visit the church.

It was all looking very neat by the end of the session. There are some extremely old, interesting and ornate gravestones and memorials which really stand out now the churchyard is so tidy. If you get a chance go along and have a look.

The next session for the Woodpeckers will be on Saturday November 2nd. Please come along at 10am if you would like to help.

Collier Street Rambling: ‘Gleaning the orchards’

With apples falling from our cox apple trees at the end of the garden we decided it was time for our apple pick before the birds and insects gorged themselves on all the ripening fruit. Depending on the size of the crop we pick the ‘healthy’ apples and take them to Owletts at Lamberhurst for juicing. Our crop filled just over half a large wooden apple bin at Owletts and we went to pick the bottled juice up a couple of weeks later; the 132 bottles we collected will last at least two years because the contents are pasteurised.

The apple crop in the area seems abundant this year and we had some beautiful eating and cooking apples brought in as raffle prizes at the monthly ‘Pop In’. During the chat Margaret Ashworth mentioned ‘gleaning’ the orchards and I was intrigued to find out what this meant; locally it’s what happens when the leftover crop is harvested by whoever is invited to go along and take it but there is quite a history to the word. Sometimes gleaning takes place in in fields or orchards where it is not economically profitable to harvest.

It is actually an activity that was mentioned in the Bible, according to the Books of Deuteronomy and Leviticus. In these Books farmers are told they must leave the crops lying in the corners of their fields unharvested, any grapes in vineyards missed or ungathered should be left on the vines and Olive trees must not be beaten again after the first beating. Whatever remains is then ‘left for the poor and for strangers’ according to Leviticus or for ‘widows, strangers, and paternal orphans’ in Deuteronomy. The Book of Ruth tells of gleaning by the widow Ruth to provide for herself and her widowed mother-in-law.

Gleaning is a practice that became legally enforceable in a number of Christian Kingdoms and in many parts of Europe, including England and France it was a law that continued into more modern times. In 18th Century England it was a legal right for ‘cottagers’ or landless residents where the village Sexton often rang the bell of the church at 8am and then again at 7pm to mark the beginning and ending of the ‘gleaners’ working day. It is worth noting however that this legal right ended after a court case in 1788.

Apple Scrumping

Gleaning must not be confused with scrumping as the latter activity is commonly carried out by people who do not have permission to take the fruit.

It’s thought the word scrumping was first used in the mid 19th Century and probably described the taking of windfalls or rejected apples left after harvesting when scrumpy was a word used to describe something shrivelled up or meagre.

Scrumpy is a word now used to describe a cider that is cheap to make from the leftover apples, it is often strongly alcoholic and can catch out a drinker unfamiliar with the product. Modern brands sold as scrumpy cider are mild compared with the vinegary farm-made sort of years ago which a Herefordshire farmer described as *squeal-pig cider*, this being the noise you made when you tried it. Another old countryman said, “It used to take three people to swallow a mug of it. One to drink and the other two to hold him upright.”

Brogdale Apple Festival

Brogdale will be holding an apple festival on the 19th and 20th October, they have over 2000 varieties of apple in their orchards, many of which are rare or heritage varieties. Visitors have the chance to try before they buy. There will also be guided tours, talks, apple pressing demonstrations and the opportunity to watch cooks using apple recipes. You can even take your own apples along to get the variety identified. Brogdale is just outside Faversham close to Junction 6 of the M2.

A Fire-Wood Poem

Beech-wood fires burn bright and clear
If the logs are kept a year
Store your **Beech** for Xmastide
With new cut **holly** laid beside
Chestnut's only good they say
If for year its stored away
Birch and **Fir-wood** burn too fast
Blaze too bright and do not last
Flames from **Larch** will shoot up high
Dangerously the sparks will fly
But **Ash-wood** green and **Ash-wood** brown
Are fit for a Queen with a golden crown
Oaken logs if dry and old
Keep away the winter's cold
Poplar gives a bitter smoke
Fills you eyes and makes you choke
Elm-wood burns like churchyard mould
E'en the very flames are cold
Hawthorn bakes the sweetest bread
So, it is in Ireland said
Apple-wood will scent the room
Pear-wood smells like flowers in bloom
But **Ash-wood** wet and **Ash-wood** dry
A king may warm his slippers by

Yalding W.I welcomed Aromatherapist Karen Jeffries on Tuesday, 9th October 2019 to talk about her work. Karen has worked with Aromatherapy Oils for 13 years and is an experienced masseur and therapist. She firstly explained about how our sense of smell governs our moods and asked us to think of a memory mood such as a favourite perfume which may remind you of a loved one. Then we had to think of a horrible smell and think on how that would affect your mood if you could not get away from it.

She then explained that certain oils can relax the mind and by massaging oils into the body, the skin which is the largest organ of the body will transfer it internally as well as externally. She then explained that if you rub garlic onto the sole of your foot, it will then be on your breath. Something I think none of us will be doing!

Members then smelled various oils and were invited to combine a couple to massage onto each other's hands. We were shown how to massage gently but firmly and I must admit I felt so relaxed I could have had a doze afterwards!

At the start of the evening, the committee gave out news and updates which included planning our Carol Concert at St.Peter & St.Paul's Church on Tuesday, 3rd December from 7pm. Father Paul, Deacon Lisa and church warden Rachel will be there plus the organist to accompany the carols. We are hoping it will be a heartwarming service with some readings and of course, homemade mince pies and teas afterwards. Family and friends are welcome and we are also going to welcome the Old Medway District W.I.

Doreen has organised lots of sports events and has organised the Christmas meal for members. All events are on boards which are passed around throughout the meeting. Rose has been busy with organising knitters for poppies and an art installation for Hale Place Dementia home in East Peckham. Also Yalding W.I are entering the Christmas Tree Festival on the 14th & 15th December at the Baptist Church and need Christmas tree decorations made. Lots to be doing!

Our next meeting is on Tuesday, 12th November at 7pm where we will be meeting Colin! The competition is Puppets.

CALL FOR SITES

Maidstone Borough Council is starting a review of the Maidstone Borough Local Plan (2017). The review is needed to ensure the Local Plan remains up to date and addresses specific issues highlighted by the Inspector who examined it. Further, since the adoption of the plan, the Government has introduced a standard calculation for the number of new homes an area will need and this looks set to increase requirements for this and other boroughs in the south east. The new National Planning Policy Framework also directs that plans should be regularly reviewed – at least every 5 years – and that they should cover a time period of at least 15 years at adoption. Maidstone Borough Council has agreed a timetable for the Local Plan Review - the 'Local Development Scheme'. A first 'scoping' style public consultation is scheduled for July-August 2019 with further consultations to follow in 2020 before submission of the Plan for examination 2021 with adoption to follow in 2022.

This Call for Sites exercise is the starting point for a piece of key evidence for the Local Plan Review, the Strategic Land Availability Assessment. Now that the period for nominated sites has closed Maidstone Borough Council have forwarded details of the proposed sites to the Parish Council to gain information about potential sites for inclusion (allocation) in the Local Plan Review. Information on the proposed sites will be released into the public domain on Monday 4th November 2019.

The Parish Council website contains a link to the essential background information www.collierstreetpc.kentparishes.gov.uk

Alternatively further information can be obtained by email from ldf@maidstone.gov.uk or by post to Strategic Planning, Maidstone House, King Street, Maidstone, Kent ME15 6JQ

Submitting a site through the Call for Sites doesn't mean it will be included in the Local Plan Review or planning permission will be granted on it in the future. It will give Maidstone Borough Council a starting list of sites to consider.

Clerk to Collier Street Parish Council

It was mealtime during an airline flight.

'Would you like dinner?' , the flight attendant asked John, seated in front.

'What are my choices?' John asked.

'Yes or no,' she replied .

A flight attendant was stationed at the departure gate to check tickets. As a man approached, she extended her hand for the ticket and he opened his trench coat and flashed her.

Without missing a beat, she said, 'Sir, I need to see your ticket, not your stub.'

A lady was picking through the frozen turkeys at the grocery store but she couldn't find one big enough for her family. She asked a stock boy, ' Do these turkeys get any bigger?'

The stock boy replied, 'No ma'am, they're dead...'

The police officer got out of his car as the kid who was stopped for speeding rolled down his window.

'I've been waiting for you all day,' the officer said.

The kid replied, 'Yeah, well I got here as fast as I could.'

When the cop finally stopped laughing, he sent the kid on his way without a ticket.

A truck driver was driving along on the freeway and noticed a sign that read: Low Bridge Ahead. Before he knows it, the bridge is right in front of him and his truck gets wedged under it. Cars are backed up for miles.

Finally a police car comes up. The cop gets out of his car and walks to the truck driver, puts his hands on his hips and says, 'Got stuck, huh?'

The truck driver says, 'No, I was delivering this bridge and I ran out of gas.'

Jacqui Bakes

Jammie Dodger Blondies

Tried these for the first time this week, delicious! A work colleague baked these and a lemon drizzle, there were some very happy teachers & teaching assistants in the staffroom.

Ingredients

200g butter

300g golden caster sugar

150g white chocolate broken into pieces

3 large eggs

1 tsp vanilla extract

225g plain flour

16 mini jammie dodgers or 9 regular ones

6 tbsp strawberry jam or your chosen flavour

Method

Pre heat oven to 160 degrees, grease a traybake tin.

Melt butter with the caster sugar over a low heat.

Once butter has melted take from heat, add white chocolate, allow to melt. Leave for 5 mins to cool slightly.

Break eggs into a bowl, slowly add to mixture, whisking continuously so eggs don't cook. Stir in vanilla.

Add flour slowly, keep whisking to form a smooth batter. Pour into greased tin.

Place Jammie dodgers in rows, add blobs of jam in-between and swirl with a tooth pick or skewer.

Bake for 40 mins or until golden brown. Leave to cool in tin completely before cutting into squares.

Who doesn't love a Jammie Dodger, ENJOY!

Phase 2 Meeting with Mark Green MBC and Max Tant KCC.

No funding available for those properties that did not qualify for Phase 1a and Phase 1b. The reason is due to the cost benefit ratio applied and obtaining the appropriate funding and submitting a justifiable business plan. There are nine properties in the parish affected by this decision. There are also a number of properties in other parishes that will not qualify for additional funding in phase 2. The Chairman is in discussion with KCC about the potential funding for work that may be able to be carried out relating to unmaintained ditches in the parish. Work is progressing on Phase 1b with the work likely to be completed in the coming months. The EA are chasing qualifying owners of properties that have not completed the requisite paperwork.

Recreation Field Report Lead DG

Repairs have been carried out on the surface of the Car Park.

The contractor will commence work on the fencing in the next couple of weeks.

Grass cutting still ongoing.

Kent Cycling have now paid their invoice for the use of Car Park for both this year and last.

HIGHWAYS

Minutes of meeting with KCC Highways.

Please see below.

Update on CCTV camera Lead SH

Good news on this front in that the cameras is now working effectively. Cllr Hill's IT consultant is now working on the search facility that will capture repeat offenders.

The following Councillors have agreed to analyse the data in order to establish an effective onward reporting strategy to the appropriate agencies.

DG; SH; DP; AP and DS.

The Councillors unanimously agreed to pay the balance owed to the suppliers of the system.

The Clerk will check on the implications of GDPR.

FINANCE Lead RFO AJC

Accounts Reconciliation: The meeting to approve the reconciliation reports for the months of September 2019.

The meeting unanimously agreed the reconciliations of the bank accounts.

SB signed the reconciliation reports

Need to consider appointing a Cllr to view balances online in addition to the reconciliation reports. Need to set up mandate with bankers

The meeting unanimously agreed to task The Clerk with completing a new mandate appointing a total of 4 signatories with at least one Councillor being able to view the balances on the account prior to signing the monthly reports.

It was also agreed that The Clerk/RFO would provide the passwords to all appropriate tasks he undertakes in a sealed envelope for the safekeeping of the Chairman.

Budget Reports: The meeting to approve the budget reports.

APPROVAL FOR SPENDS

The meeting approved the monthly spends

Borough Councillor's Report: No representation

Village Hall Lead SH: SH reported that plans are progressing

Parish Magazine

DG advised of a meeting that had been held with all parties responsible for the production of the Village News. In the existing format costings are in excess of income. A survey has been included in this month's issue to establish the reader's expectations as the foundations to a way forward.

VE DAY

DP has agreed put forward suggestions as to how the Parish may celebrate VE Day.

Date of Next Meeting

The Next Full Council Meeting will take place on Monday 11th November 2019 at 7.30pm.

Additional Issues for discussions

- VE Day – lead by Cllr Deborah Papas

CLOSED ITEMS

Feedback from Enforcement Meeting 10th October 2019

As MBC Planning Enforcement no longer provide feedback on current enforcement cases the meeting discussed and prepared a list of enforcement issues in the parish for onward transmission to Planning Enforcement for feedback and ongoing monitoring.

SB was tasked with providing a paper on the actions to be taken by the parish on a government led initiative.

COLLIER STREET PARISH COUNCIL.

Highways Meeting 2nd October 2019

Cllr David Goff, Clerk Alan Crocker, Jennie Watson KCC Highways and colleague Paul

Collier Street Highways Safety Action Plan

Jennie started the meeting by updating the existing Highway's Safety Plan. It was agreed that owing to the high costs Collier St PC would not be able at this time to consider the installation of 'village gates' and also the coloured tarmac owing to the ongoing cost that would have to be borne by the PC.

We discussed various options of speed control and she kindly agreed to fund roundels throughout the 30mph limits in the parish. JW has agreed to raise a job request and send to the PC once design has been completed.

'Villages gates' are now being produced at a more competitive price and under the next traffic calming measures she would be prepared to contribute to the funding together with possible members grant funding from County Cllr Eric Hotson, and the PC and possible CIL monies..

Speeding: Police look at the threshold + 10% = 2mph.

Having identified target areas, there is possibility of the installation of moveable flashing speeding signs. These cost approximately £7000.00. They have number plate recognition and capture the data. JW can give us a contact [with Highway's] who will carry out an appropriate risk assessment on the chosen locations. This would be at The PC's expense and could be considered under the CIL spend. Contacts to exchange experiences were given.

Freight Team 7.5 weight limit

Concerns over the action that may be taken in the event of the PC identifying offenders. The freight team have no powers but would liaise with the police. Although with imposed restrictions there must be sufficient alternative routes. KCC Councillor Séan Holden is heading up a campaign on lorries travelling through rural locations. It would be useful if we could copy him in on our CCTV evidence once it is up and running.

Car Park Signage

We agreed with the Claire the positioning of the double sided Car Park signage. She has agreed to fund this for us. The sign is to read 'Church and Village Car Park'

Longends Lane - Complainant email and digital imagery
JW agreed to respond.

Site visit to Bentlett's and Dandara Site Manager – Re 'Give way/sight lines

JW has requested that Sarah Parish in Development Agreements Team to look into the matter under Section 278 agreement.

Missing plastic marker bollards on the roadside.

Claire Chewter is to look into replacing these as identified by DG

Ongoing Actions: Email from JW [03 October 2019] confirming funding for roundels and signage.
